600 Jews Murdered!

Comfort Israel (Isaiah 40) and pray for all the kidnapped Jewish women and children who are held hostage in Gaza.

Please keep our Israeli ministry staff in your prayers.

Today, the schools are closed, and parents are scarred for their children's lives because there are 2 million Arab Muslims live side by side with us, within the borders of Israel. Arab Muslims work in every aspect of Israeli society in every job, in every company and they are being instructed to kill us Jews.

People are scared and they now have to think twice as they pass by Arabs in the streets of Israel or in the supermarket, wondering if someone might try to kill them.

Please pray for the estimated 30 kidnapped Jewish women, children, and men who are being held hostage in Gaza. Some of them have already been murdered.

As you read this, missiles from Gaza are **blowing up in Israel and coming into areas where our ministry workers live.**

Hans, we are living in the last years before Yeshua's return and soon we will see the fulfillment of the War in Ezekiel 38.
